From the Pastor...

Dear Friends,

When I lived in New England, I learned that many churches there (none of them Presbyterian, to my knowledge) had a long-standing custom of closing down for the summer. That's right - closing the church completely, and don't come back until September! It was apparently a left-over habit from the early 20th century when so many people left town to flee to the mountains or the shore for the season, there weren't enough folks left to make it worth holding church services in town. (In their defense, I will note that each of those picturesque seaside towns had a pretty chapel on the village green and 100 years ago those chapels were full on Sunday mornings throughout the summer.)

Well, we don't do things like that around here, but with the temperature rising, we can feel a difference the last few Sundays. Every week in church some familiar faces are missing as vacations roll around, and the rest of us enjoy a slower pace with fewer of those after-church meetings to rush off to! Rest and relaxation are good things (God said so - see the creation story in the book of Genesis) and I wish for all of us, at home or far away, some time to slow down and the leisure to read a book, play a game, or simply take a nap.

Of course we don't come to a complete stop. Some of our best work is done in the summer, including the Youth Mission Week in June (join the youth group for supper on their last day, Wednesday, June 27) and Vacation Bible School in July (classes for everyone and supper every night). So if you are in town, please plan to support and participate in those events.

Here's wishing everyone a good summer. If you go away, bring back great stories and if not, we'll see you in church. Wherever you are, give thanks for the marvelous blessings of God!

Elliott
